## COMMUNICATION TO OFFICE REGARDING NUMBER OF DRAWING SHEETS

Dear Sir:

The Bibliography Data Sheet included with the Notice of Allowance mailed on December 16, 2009 erroneously indicates that the application only contains 17 sheets of drawings. **The instant application contains 20 sheets of drawings.** Applicant filed replacement sheets for the drawings containing Figures 15A-D in the amendment mailed on August 24, 2009 in reply to the Ex Parte Quayle Action mailed on June 22, 2009. Figures 15A-D are contained on three pages. The Notice of Allowance was responsive to Applicant's August 24, 2009 reply, as well as to a reply mailed on September 29, 2009. In view of the foregoing, Applicant requests that the patent publication issuing from this application include all 20 sheets of drawings. Should the Office have any questions regarding the foregoing, please contact the undersigned.

Respectfully submitted,

POLSINELLI SHUGHART PC
